## FULL CUT WALL PACK

### Description

The ECLIPSE LED Full Cut Wall Pack is the best in its class for power efficiency when it comes to wall-mounted security. They are great for a range of commercial applications including doorways, walkways, and any other outdoor areas in need of adequate lighting. With the use of the IntrinsicX ECLIPSE cut off wall pack lights, you get the incredible power of LED lights combined with the sturdy construction needed for outdoor lighting.

The ECLIPSE provides security lighting with control over the energy efficiency with its integrated Photocell capabilities. These security lights are more economical, replacing the HID or HPS lights, consuming less electricity and giving you even brighter lighting compared to conventional lights.

### Specifications
