

DURALEC ES60E

COMPACT SCISSOR LIFT

DURALEC ES60E COMPACT SCISSOR LIFT

The Durablec ES60E Scissor Aerial Work Platform is a 506-lb capacity compact platform with four wheels and Curtis controller which allows you to make lifting, transporting loads, and moving products easily and safely. This product also complies with GB25849 and EN280 standards.

- Load Capacity 500 lb
- Raised Height 19' (228")
- Lowered Height 86"
- Overall dimensions: Length 65" x Width 30"
- Steel construction
- 3 Years Limited Warranty

| Product performance | |
|--|---------------------|
| Maximum number of workers (indoor/ outdoor) | 2 persons |
| Load rating | 506 lbs |
| Extended platform load rating | 264 lbs |
| Driving speed (folding state) | 0 - 4km/h |
| Driving speed (lifting condition) | 0 - 0.8km/h |
| Minimum turning radius (inside) | 0" |
| Minimum turning radius (outside) | 61" |
| Rise/fall time | 18/28s |
| Maximum allowable tilting angle (front/left/right) | 3° / 1.5° |
| Maximum allowable wind speed (indoor/outdoor) | 0m / 0s |
| Maximum allowable lateral force (indoor/outdoor) | 400 / 0 |
| Gradeability | 30% |
| Control | Proportional |
| Actuator | Double front wheels |
| Braking | Double rear wheels |
| Tyre specification / type | 12.71 *3.93" |

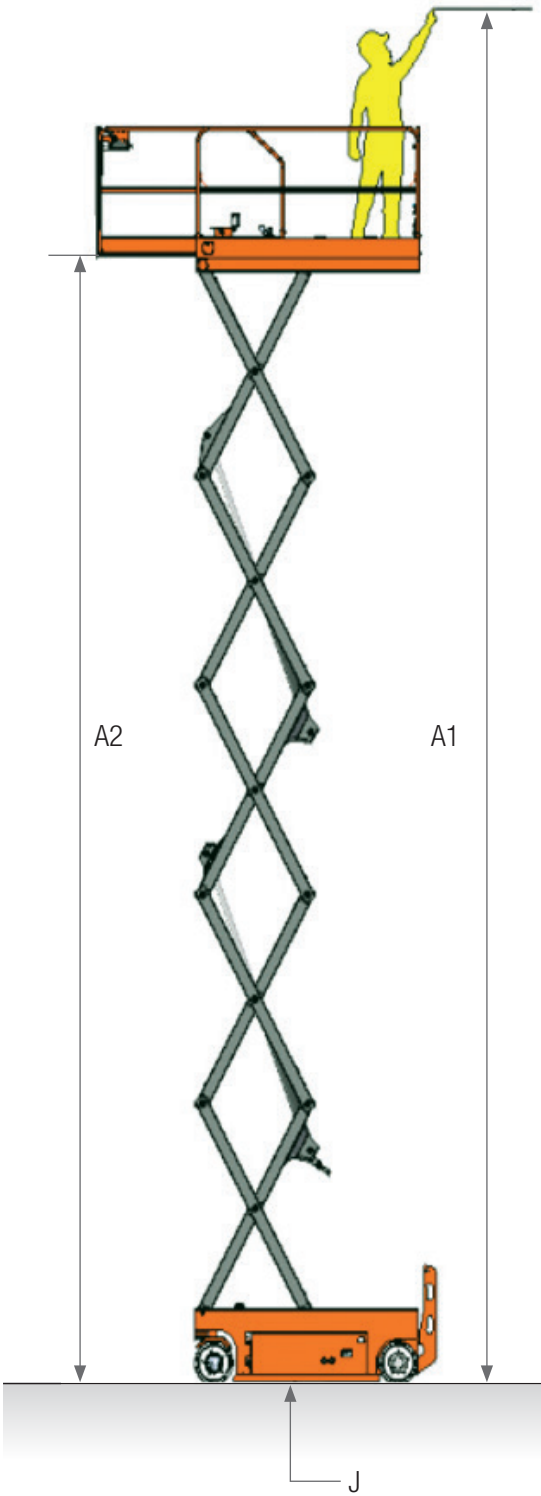

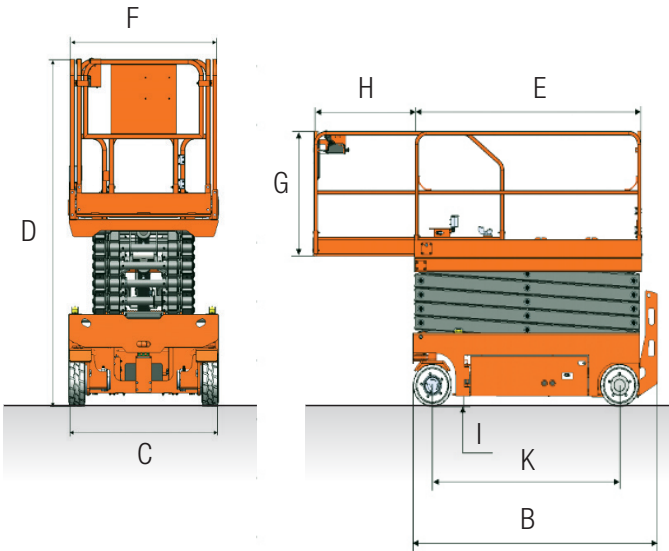

| Product power | |
|--------------------------|--------------|
| Lift/drive motor | 2.2/0.7 x2kw |
| Battery voltage/capacity | 6x4/225 V/Ah |
| Charger input voltage | 100-240 VAC |
| Charger output current | 36 A |
| Control voltage | 24 VDC |
| Hydraulic tank capacity | 8L |
| Total weight | 3256 lbs |
